SCHEDULING ORDER

On May 20, 2010, I held a joint status conference in these Dockets. Appearances were entered by: Jeanne Elias, Esq., on behalf of the Vermont Department of Public Service ("Department"); Mark Sciarrotta, Esq., on behalf of Vermont Electric Power Company, Inc. ("VELCO"); Morris Silver, Esq., on behalf of Central Vermont Public Service Corporation ("CVPS"); and Cielo Marie Mendoza, Esq., on behalf of the Agency of Natural Resources.

At the status conference, I established the following schedule for moving forward in these Dockets:

Department files status report, and all parties file proposed schedules	June 11, 2010
Deadline for settlement (if reached)	July 1, 2010
Tentative date for technical hearing	July 8, 2010

If a settlement is reached, the goal of this schedule is to allow the Public Service Board to issue a final order by the end of July, 2010. In addition, if a settlement is reached, the parties will be expected to file a joint proposal for decision. If no settlement is reached, the July 8 hearing may be converted to a status conference.
